

Fun Run Mud Run

2011

General rules

ALL PROBLEMS BRING TO HERSCHEL !! DO NOT YELL AT ANY OF THE STAFF !

No unsportsmanlike conduct!

All convertible vehicles with no tops must have roll cage.

Vehicle entered one time per class

Seatbelts & helmets must be worn by driver & passenger. 4 point harness required in all classes excluding stock classes.

No kid passengers in any class besides stock class. No infants! Safety first.

No riders in the back of the truck

No hot Roding

Stay away from tractor & cable

No fighting

No refunds

Clevis or safe pullout point installed directly on vehicle. Chains are unacceptable.

All tires must be factory stamped & legible to run in any DOT only class.

If vehicle is unsafe to run the staff has the right to not let you run. Example: not able to stop. Flaming up or spraying fluids.

Nitrous bottles will be removed from vehicles while running in classes which do not allow nitrous.

All tires must be rubber. No chains, cables or bolts on or in tires.

Disqualifications:

Helmets & safety harness must be worn during run. If not this will result in a disqualification.

Loose items: all items must be secured. Anything that comes out of vehicle will result in a disqualification.

Example: unsecured batteries, fuel cells or trash. If they come out it will be a DQ.

Exempt: Drive shafts, ball joints and other drive train parts that break during the run.

Stopping at end of pit: You must stop at end of pit. Stop must be completed before turning towards& proceeding towards pit area at the fence. If stop is not completed; this will result in a disqualification.

If not allowed to get distance measurement this will result in disqualification.

Others:

2 minute rule: when you are called to the line and are not present you will be put on the 2 minute clock. You will then have 2 minutes to make forward progress to come to the line and race. If you do not show you will then scratch your run.

If you are coming to the line and you are shut down due to official time out or red light you will have 5 minutes to make forward progress coming to the line or to get the vehicle started if sitting on the line after being called back to the line.

If truck breaks at line you have 1 chance to try again(2 min. rule). In running order.

If 20 foot mark is not broken you have 1 chance to try again(2 min. rule). In running order.

All final decision are upon officials discretion.
